# Your Guide to 24 Hour Telephone Banking

with

NOTE: Before using the 24 Hour system, please follow these instructions:

Make sure you have your account number(s) handy. Also have your Personal Identification Number (PIN) available. **The first time you call on each account, your PIN will be the last four digits of the social security number on the account.** You will then be instructed to change your PIN to a four digit number (cannot begin with zero) that only you know.

If you need further assistance, please call **PEOPLES INDEPENDENT BANK** at 256-593-8844 or 256-623-2275 during normal business hours.
